COMMUNICATION HUI

A short survey has been sent out via email, facebook and website. Not all people have computers or access to the internet. We want to give those who are not online a chance to have an in-depth say, and do it face to face.

We have some questions for you to answer. These answers will be used to contribute towards the Communication Strategy and how we actually connect with the people

It is also a chance for you to tell us what you would like the Trust to do for Pahauwera

COMMUNICATION HUI

Ngāti Pāhauwera Development Trust are refreshing our communication strategy to improve our communication with iwi members, so that people are informed of Trust activities and can communicate with the Trust.

We currently communicate to our members through the website, facebook and face to face. We have held various information sharing, kaumatua, whānau and rangatahi wananga.

COMMUNICATION HUI

Break out Session

- *Break out into groups with chart and pens (we want to mix everyone up)*
- *Introduce yourselves to each other*
- *Choose someone to write answers (are you going to write a list, brainstorm, chart?)*
- *Choose someone to report back with answers, themes, areas of importance to your group*
- **EVERY MEMBER HAS A CHANCE TO CONTRIBUTE**
- *Answer questions around the group. Some questions you will answer quickly, others you can take more time with*
- *Group representative has 2-5 minutes to report back at end of session*

COMMUNICATION HUI
