

# ONLY 30 CAN BE CHOSEN. WILL YOU BE AMONG THEM?

Each year just 30 teaching students of Māori or Pasifika descent may be chosen to become Kupe Scholars. If you're among the select few, you'll join a group recognised for their outstanding potential. Your course fees will be paid and you may receive a financial allowance. You'll also receive the prestigious Kupe Keepsake - a reminder of your commitment to charting new territory and of our commitment to helping you succeed. If you're on a path to becoming an outstanding role model in early childhood, primary or secondary education, apply to become a Kupe Scholar today. Applications close Monday 29 June 2015.
