Update Membership Details

We have a number of members who we do not have updated details for. There are a variety of reasons for this, it may be date of birth, address, phone, email address, if you have moved or married recently, if you have added to the whānau or if you have lost a loved one.

Please see a list of the names that we would like to update below. Have a look at the list and let your whānau members know if you see them on it and help to get the message out to them.

This mahi is ongoing, we ask all registered members to update their details with us. This information would be very much appreciated.

Please phone: 06 838 6869 or email: admin@npdt.co.nz
