- **Where have you lived so far?**

Brisbane & Hamilton

- **What is your favourite subject and why?**

Technology computers - I'm a tech kid!!

- **How did you get into your mahi?**

I attended a lot of conferences, holiday programmes, workshops, etc. which involved technology & and business. I felt inspired to get involved in this space myself at a young age - leading the way for other young Māori tamariki to get involved in the tech work but in a profit-making way to help change the world.

What's your favourite food in the whole world?

Mc Donalds!!!

Plus corn fritters :)

- **What do you recommend to help someone get through a bad day?**

Mindfulness. Just breathe. Or else go for regular walks.

- **Who has been your favourite coach and why?**

My mother. She inspired me since I was young to get involved in community projects, sharing her wealth of knowledge & and skills - even business computers!
